HIS PACKAGE WAS DELIVERED TWICE

My girlfriend was a total nympho. She couldn't get enough of my "other package" – not that I'm complaining; but retrieving the watch was first and foremost on my mind.

"Your package, huh?" Traci remarked with a sly grin.

"Says here that it's been delivered." I peered at the tracking info on my phone. "But it hasn't. And you want to know why?"

"Why?"

"Because those idiots sent it to the wrong address."

"You're kidding."

"I wish."

The fine folks at Discount Electronics Emporium had shipped my running watch to the wrong apartment, my old apartment, the one I had vacated well over a year ago. Granted, I hadn't moved far; my new address was just around the corner from the old. Still, I was bummed by the snafu. Clearly DEE—a typically reliable company I had been doing business with for quite some time—needed to update their customer records.

Traci frowned when I got up from the sofa. "Where are you going?"

"My old place," I told her, "to get my watch. According to this it was left on the doorstep. It's probably still there. Or the current tenant might have it."

I swiped my keys and wallet from the kitchenette counter. "Be back in a jiffy, babe."

"Not so fast." Traci leaped up and slid between me and the door, effectively blocking my path. "What about your other package? I was hoping we could—"

"Not now, Traci," I said, rolling my eyes.

My girlfriend was a total nympho. She couldn't get enough of my "other package" – not that I'm complaining; but retrieving the watch was first and foremost on my mind. I had shelled out a hundred bucks for the thing, and was most eager to use it later on my afternoon run.

I tried to nudge Traci out of the way, but she refused to budge. Wearing a mock frown, she regarded me with pleading eyes. I had seen the expression before, many times, and knew she wouldn't be denied. When it came to sex Traci refused to take no for an answer.

We hadn't been up long; Traci, still wearing her short robe, untied the belt and pressed her hand against my bulge. Resistance was futile.

"Your watch," she said, "can wait . . ."

I didn't say a word as she unzipped me.

“... but I can’t.”

Traci crushed her lips to mine. Our tongues tangled as I pressed her against the door. Her fingers grasped me, encircling my rigid cock. I slid the robe from her shoulders and let it fall to the floor. My hands probed her smallish tits, pressing the taut flesh, rubbing and tweaking turgid nipples more brown than pink.

My cock grew in her hand. She was priming me now, moving her wrist, slow and easy, in a rhythmic pumping motion. I withdrew my tongue from her mouth and serviced her tits, licking and lapping and sucking.

Traci moaned delightedly, urging me to seek the cleft between her legs. Still feasting on her tits, I lowered a hand to her pussy. I massaged her pink lips before pushing two fingers inside her honey pot. Again, Traci moaned, louder this time, moving her hips as I plunged my digits in and out with increasing speed.

This prompted her to stroke me faster. She jerked and tugged, manipulating my manhood until I was on the verge of orgasm. An experienced lover, Traci eased up, allowing me to recover sufficiently before dropping to her knees and devouring me with her eager mouth.

I stood there and watched the top of her head move frenziedly as she sucked my dick with her usual topnotch skill. Traci, an accomplished cock gobbler, gave the best head I had ever had. A knocking smile creased my features as she slid a hand between her legs. Traci always masturbated while blowing me; it was her trademark move, one which I never tired of watching.

Things continued in this manner until Traci disengaged and, for the second time that morning, regarded me with her pleading eyes. This was ten times hotter than anything she could have said. Words weren’t necessary. I knew what she wanted. And I wanted it, too.

After moving to the bedroom—when it came to fucking we preferred my bed—I pushed Traci’s legs apart and positioned myself between her thighs, holding my cock with one hand as I pushed inside her.

Traci’s pussy gripped me in its snug embrace, snug and hot and wet, as I commenced to thrusting. I drilled her snatch with everything I had. It seemed to be enough as she responded favorably, writhing and wailing and wrapping her legs around my waist. I came quickly, poking her with a series of quick jabs before pulling out and dumping my load all over her flat stomach.

Having recovered from her exertions, Traci jumped

in the shower; though not before inviting me to join her, an invitation I declined as I was eager to recover my watch.

The gizmo was a real humdinger; it could track everything—mileage, pace, time, heart rate, pulse, you name it. About the only thing it couldn’t do was suck me off.

Luckily I had Traci for that . . .

I could’ve walked to my old apartment—the place was that close—but I chose to drive, taking a circuitous route while listening to heavy metal on the local hard rock station. I was psyching myself up for a confrontation; if I failed to find the package on the doorstep this was a very real possibility.

Ever the cynic, I was convinced that the tenant would

be less than honest. Package? What package? I don’t know what you’re talking about. After feeding me this line of bullshit, the lying bastard would keep the watch or, more likely, sell the thing over the internet.

This doesn’t say much for my opinion of humanity, but life had taught me to expect the worst from people; with few exceptions—Traci being one of them—folks were selfish, dishonest, and generally lacking in good graces.

Imagining an argument, perhaps even a physical confrontation, I wheeled into the lot and drove slowly past my old apartment. Eyeing the unit warily, I slid into an empty parking slot. I let the heavy metal song—one of my all-time favorites—reach its conclusion before killing the engine. My old place was on the second floor. A set of metal outdoor steps led from the parking lot to the small landing. I squinted through the windshield, shielding my eyes with my hand. From my vantage point all I could see was the top half of the

door with its number plate and faded brass knocker.

I got out of the car and walked hurriedly to the foot of the stairs. I was halfway up when I saw that the package was not there; the tenant, I realized with a sinking feeling, had beaten me to the punch.

Shit, I thought. Nothing is ever easy. Looks like I'll have to do this thing the hard way . . .

I took a deep breath to steel myself for the big showdown; then I grabbed the horseshoe-shaped knocker and rapped it against the door three times in rapid succession.

"Be home," I muttered. "Please be home . . ."

"Here you go." The tenant smiled as she proffered the small cardboard box with its white shipping label; this after I had explained the mix up with DEE and how I had once lived in her apartment.

I felt like a fool. She was polite, friendly, and seemed genuinely relieved to have finally linked the package with its rightful owner. She was also damned good looking—a tall and slender redhead—and more than a little flirtatious; this became apparent when, after relinquishing the box, she invited me, a total stranger, inside.

I was taken aback. "I really should get going."

"Awww, come on," she began with a coy smile. "This whole situation with your package and all . . ." She shook her head and laughed as if amused by something. ". . . it has me curious about an entirely different package . . ."

"You've lost me," I replied.

And she had. I honestly had no idea what she was talking about. Until she lowered her gaze to my crotch and bit her lip suggestively. Then it became quite clear.

I didn't allow myself to think too much about cheating on Traci. What she didn't know wouldn't kill her. And this would surely be a one time thing, a random encounter too good to pass up.

I crossed the threshold of the apartment, my old apartment, and closed the door behind me.

"How long did you live here?" she asked me.

"Does it matter?" I remarked.

"No," she said without hesitation, already dropping to her knees and reaching for my zipper, "it doesn't."

I didn't know her name, but whoever she was she gave fantastic head—slutty and sloppy and urgent. I

stood there beside a table cluttered with the trappings of a student (laptop, textbooks, assorted papers) and watched her head move to and fro as she inhaled my cock.

Towering above her afforded me a nice view of her cleavage. I alternated my gaze between her mouth greedily devouring my dick and the freckled tops of her tits clearly visible within a loose-fitting pocket T-shirt.

The fact that I knew next to nothing about this person, that she was a complete stranger in every sense of the word, one whom I, in all likelihood, would never see again, greatly enhanced my excitement.

By the time she stopped sucking my cock I was dying to fuck her in earnest. This took place on the carpeted floor right in front of her TV. She slid out of her soccer shorts and panties and got down on all fours. I moved behind her and guided my prick home, relishing the tightness of her pussy as it enveloped me. Holding her slender hips, I proceeded to pound her good, plunging my manhood repeatedly as she encouraged me with her dirty mouth.

"Fuck my slutty cunt! Oh yeah! Cram that big dick in my tight hole!"

I found her banter especially appealing as Traci had never been one to talk during sex. This was new and different, a rarefied treat to be savored all the way to the finish line. And what a finish it was! I pulled out just in time to blow my wad all over her creamy white ass, coating it with a considerable load of cum.

On my way home I stopped at a red light and watched two runners cross the street in front of me. I glanced at the box on my passenger seat. I was eager to hit the pavement with my new watch, but this would have to wait.

Tomorrow, I thought.

Having delivered my package twice in one day, I was exhausted and ready for a nap!

LELA

Looking for a way to clean all the dirty thoughts out of her beautiful head, Lela spends a little too much time in the shower. The hot water slipping down her bodice does nothing to quell how badly her pussy is aching for something to wrap it's lips around. Happily welcoming her long fingers, she plays with her wet pussy.

Wearing her sexiest outfits is always a dangerous game that Vanessa loves to play. It's gotten to the point where her man knows when she's looking for action. Instead of sweating at dinner staring at her beckoning body, he decides to take matters into his own hands. He pulls her onto the couch and tears her out of her clothes to plow into her pretty pussy.

LETTERS FROM OUR READERS

Letters that should or shouldn't have been written, but you sent them to us anyway!

LOVE AND RIVALS

It was the end of a long, hard day. I shut off my phone and sat at the bar of the Officer's Club, continuing to brood over our losses in that day's exercises. It was the first time my gunner and I lost a training run since we started flying together, which only made the loss more bitter. When the pilot who'd beaten us walked into the club and sat beside me, I was forced to relive the humiliating defeat.

And because the world absolutely hated me, I was mocked again because she was one of the most beautiful creatures I'd ever seen. She was easily 6'3", with thick black hair let down past her shoulders and a chest that always seemed to be stuck out for her male counterparts to ogle at.

I tried to look away and resist my rising anger and passion. Not that I was very successful. She started talking and tried to tell me that I shouldn't be so hard on myself. I didn't listen for long before I turned and walked away, heading to the bathroom.

I got there and splashed some water on my face to clear my head. Even though I came here to get away from her, the bathroom door swung open again, and she made her way inside, clicking the door's lock. Without a word, she stepped closer, pressing me against the edge of the sink, and leaned in to kiss me.

Confused by the kiss, I pulled back and let myself get lost in her deep, dark eyes. I'm not sure if she was teasing my confusion or if she misread it, but she responded by reaching for my crotch. Either

way, the passion won out over the bitterness at that point, and I gave in, returning the kiss before I leaned back and let her take command.

She unzipped my flight suit and reached up my undershirt to grab my hairy chest, letting her long fingers move toward my dick while my hands slowly moved to relieve her suit, too. She knew what I was doing and even encouraged it; her breasts seemed more prominent than I remembered like they were bursting to get out of her suit. I could only admire for a moment before she grabbed my face and shoved it down into her pillowy chest, where I quickly got busy exploring with my tongue.

In the same way she'd kicked my ass in the sky earlier, she was in control now. And in this conquest, I was the prize. It was up to her when I was done playing with her chest, and she was the one who led me to the wall and slid me down onto the floor. I was already rock-hard for her, and by then, her lips wrapped fully around my cock, sucking on the tip like a lollipop.

I sat against the wall as she thrust her hot, wet pussy into my face, begging for my tongue. I let it slide in, feeling the warmth, the passionate fire energy rushing between us. Somewhere I suddenly figured her out; She needed this as much as I did. This was all the excitement and energy built up through the train-

HER LIPS WRAPPED FULLY AROUND MY COCK, SUCKING ON THE TIP LIKE A LOLLIPOP.

ing, and we both needed a release. I glanced up at her; how she looked told me everything. It was the way I usually looked after a mission. She must have noticed I was on to her because a moment later, my nose was deep in her crotch once again.

I'm not sure how long she had me there, but when she was ready, she pulled away and lowered her wet pussy onto my raging boner. As soon as I was allowed inside, I was throbbing, feeling like I was getting harder. She loved it, wrapping her arms around my neck and using my stick to find places inside her I never knew were there. And each time, I felt the familiar surge rush through me, the surge I loved, but

BLAIR-NTS-10

this time, it was much more intense than I normally felt.

She screamed, her head thrown back, holding tightly on my neck, with her chest pressed tightly into mine. Even as she screamed, her crotch swallowed my dick harder, somehow finding more room to take me deeper with each thrust. And before I could warn her, my bursting cock erupted deep inside her, draining out around my throbbing meat.

As I finished, her hands raised my chin and kissed me. The look in her eyes was enough to know that we had just started a new game: the training winner takes the loser. And if this was what I got for losing, it was a game worth playing!

MY FIRST SEXY EMAIL

She gazes across the room at his lithe features as he nears her. The strong contours of his face, her eyes tracing the outline of his broad shoulders that seemed to span the room. A swell begins to form inside her as she traces the length of his arms with the tip of her tongue along the inside of her lips.

He pretends not to notice the penetrating stare that indicates her desire welling for him. Casually sauntering towards her, he reaches out and takes her small hand in his. The size of his hand dwarfs her tiny hand and she begins to realize that the tale of size predicted by a man's hand must surely be true. She shudders at the thought of a massive cock slipping into her warm pussy.

Her mind fantasizes his naked body, showering his skin with gentle nibbles as she tastes every inch of his manly surface. Feeling the moistness left behind as she hungrily slips farther down his abdomen, her mind races at the very thrill of his hot cock slipping between her lips. Her heart

SHE SHUDDERS AT A COCK SLIPPING INTO HER PUSSY.

quickens as she draws nearer still to that hardening mass she can feel pressing hard against her soft body.

A slight tremble weakens her knees as she reaches downwards to his now erect cock. A moan escapes her parted lips as she takes his manhood fully in her hand and tugs gently against it. She feels his hips grind forward, trying to press inside her body.

The moment she feels the heat rising from his groin, she slides her tongue tenderly caressing the tip of his pulsing manhood. Allowing her mind to see the engorged structure thrusting deeper still into her waiting mouth, she is overcome with desire and fully swallows the first half of it to a point of gagging. But she fights the urge and tries harder to gulp down his swollen cock.

She reaches to her own soaked patch and begins to massage her clit as she sucks gently on his hardened cock. She gasps somewhat at the thought of their combined orgasms. Feeling his hot cock pumping violently inside her as he unloads himself deep into her mouth. Her own body grinding in rhythm to the pulsations she feels in her throat.

His hand reaches around the back of her head and she hears his breath quicken as he nears that moment of eruption. He gently pushes her face deeper into his groin. Grasping her hair, he forces her head farther still into his body and he moans a deep, low wail. She intensifies her own massaging of herself as she nears that moment of total surrender.

Without warning, a slightly salty taste fills her mouth, followed by a warm rush of sweetness. The thick cum now sliding deep along the walls of her throat, seeming to drain out of her own twitching dripping pussy. Her face now planted as deep as she can, his cock is fully in her throat and she laughs inside at the feeling that has overcome them both. Thank you for that. I have so longed for you she whispers as she casually backs away.

Once their hunky booty call showed up, Lucy and Carla knew exactly what they wanted to do with him. Their panties soaked on the spot as he stripped down and they gazed upon his sculpted chest.
